EAL Fees (Lower School)

£500 per term

In the Upper School, EAL can replace one AS or A level option for which no fee is payable. However, the School reserves the right to arrange extra language tuition if it is considered essential for an Upper School pupil. This will be agreed with the parents/guardians before the student commences this tuition, which will be charged at the rate of £35 per hour.

## Group insurance schemes

### *Costs per term*

BUPA	£180
Permanent disability	£ 3.70
School fees protection	1.5% of fees

NB Bupa costs for those with an MDS Aided Place are absorbed by the Scheme.

All pupils are automatically included in the School Fees Protection, Permanent Disability and BUPA Schemes (the respective premiums being added to the termly fees) unless parents make other arrangements. Information in relation to these Schemes will be provided by the Finance Director's office upon request. However, parents are urged to obtain independent professional advice about any insurance scheme.

### **Bursaries**

For full fee paying pupils a limited number of means-tested bursaries are available.

The Governors reserve the right to amend all fees at their discretion, but normally, one term's notice is given of any changes. All fees are payable termly in advance, otherwise the school reserves the right to refuse admission. A full term's notice in writing or payment in lieu of notice is required of a pupil's intention to leave. Should any pupil in receipt of an MDS Aided Place be withdrawn without any such notice being given, it is part of the contract between the school and the parent that the parent shall pay the full fee (not just the parental contribution) for the following term in addition to any outstanding fees or costs for the term in which the pupil is withdrawn. A term's notice also applies to the cancellation of private tuition.
