

## **Upper School Academic Results 2009**

In the sixth form students at Elmhurst study at least two subjects at advanced level while at the same time receiving a world class dance training which is highly demanding and very rigorous.

It is greatly to their credit that they have achieved the following outstanding results.

### **Year 6.1 results 2009**

94.12% of students passed their examinations.

58.82% were awarded grade C or above.

8.82% were awarded grade A.

### **Year 6.2 results 2009**

94.71% of students passed their examinations.

73.09% were awarded grade C or above.

21.62% were awarded grade A.

Additionally five students sat GCSE Business and Communications Studies. All of these students achieved grade C or above with three students achieving grade A - A\*.

This set of results together with our GCSE results place Elmhurst School for Dance in the Times list of the top 200 independent boarding schools.
